Owl Rewards Club Official Rules
Updated as of September 15, 2009**

- 1) Although membership is free, it's not for everyone. You've got to be legal. If you're under 21, you're still a little shooter, but we'll see you soon.
- 2) You've got to be you because all this stuff is non-transferable. Be prepared to show a valid photo I.D., to join, replace lost or stolen cards, to redeem cash back or merchandise giveaways. Valid photo I.D.'s are current U.S. Issued Driver's License, State I.D., Passport, & Military I.D. All other forms will not be accepted. Management reserves the right to not permit identification if it has been altered, unreadable or any has other defects.
- 3) New Owl Club members will select a four digit personal identification number (PIN) (not starting with zero (0)) for the purpose of accessing Bonus Play and Power Points balances.
 - a) A PIN number selected by a Players Club member is to be used only by that member. The member should not disclose his or her PIN to another person or member for any reason
 - b) In the case of a forgotten PIN or a member requests to re-set the PIN, at least one form of acceptable identification must be presented.
 - c) If a PIN is incorrectly entered more than three (3) attempts, the player's account is automatically locked and cannot access their rewards or other benefits until the PIN is re-set at the Owl rewards Club.
- 4) If you try and do something fraudulent, we'll cancel your membership and take away all the goodies. We also reserve the rights to adjust your balance if something malfunctions, the operator makes an error or in case of the above mentioned fraud!
- 5) When playing slot machines, one point is earned for every \$1.50 of coin-in. For Video Poker, one point is earned for every \$3.00 of coin-in.
- 6) You've got to redeem your rewards within 18 (eighteen) months from the date they were earned or they will expire. Please see Owl Club for details.
- 7) Minimum redemption for Bonus Play or Power Points is \$5.00. Hooters Casino Hotel is not responsible for lost or stolen vouchers or pin numbers. Cash back rewards program ends March 30, 2009, however anyone with cash back earned prior to March 30, 2009 will be able to redeem their cash back thru August 31, 2009. After August 31, 2009, all unclaimed cash back will be null and void.
- 8) All members must make the initial wager to prompt Bonus Play and Power Points
- 9) It's up to you and you alone to give the card to the dealer or put the card in the slot card reader during play in order for it record properly. If the card machine says "Please re-insert" or the light is red, then re-insert your card right away because that means it isn't recording your info.
- 10) All disputes and subsequent decisions by management are final and binding. And we mean it, too.
- 11) As a member of Owl Rewards Club, when you use your card it means you understand and agree to all the rules, conditions, terms, etc., etc. that we mentioned above.
- 12) As a member of Owl Rewards Club, you agree to receive offers via e-mail and/or direct mail from Hooters Casino Hotel, with the option to opt-out and/or unsubscribe at any time.
- 13) Oh yeah, and we can change, alter, or cancel this program and its promotions at any time if we want to without any notice. Hardly seems fair, does it? Well, who said life was fair?
